

## **Bitshorts Privacy Policy**

BitShorts app is a free, informative application platform on cryptocurrency, blockchain and bitcoin, where 50 words of summarised news services are provided to readers at no cost. Privacy of users is our top priority and we are wholly committed in safeguarding the privacy of our Users with our personalized and valuable services.

Visitors who are interested in our services will be informed about our policies collection, use and disclosure of Personal Information via this page. After you have opted with our services, then you agree to the collection and use of information in relation to this policy like collecting your device number, IP address, device manufacturer, model number, device type and Platform version.

All the Personal Information collected is used at providing and improving the services to our customers but any transmission of information via internet and telephone is not our subject of authority. We will not use or share your information with anyone (third-party) apart from the people described and listed in the given Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at our BitShorts application and in website ([www.bitshorts.news](http://www.bitshorts.news)) unless otherwise specialized.

### **Information Collection and Use**

We aim at delivering best services and for that we may require you to provide us with certain personally identifiable information, including but not limited to User information like phone number, e-mail id, name, country and gender.

The information that we request will be retained by us and used as described in this privacy policy.

In order to identify you the app does use third party services that may collect your information.

## **Guide**

We want to inform you that whenever you are using our Services, we are collecting your data and information (through third party products) on your phone i.e. called Log Data (in a case of an error in the app) for future benefits. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

## **Cookies**

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

Our application does not use these cookies. However, the app may use third party code and libraries that use “cookies” to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this application.

## **Service Providers**

We may use third-party companies and individuals for the following reasons:

- To improve our performance of our Service;

- To present the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform the users of our application that the third parties have access to your Personal Information. The reason is to perform the tasks assigned to them by us. However, they are obligated not to disclose or use the information for any other purpose.

## **Security**

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. However, remember that no method of transmission over the internet, or method of electronic storage is 100% safe and reliable, and we cannot guarantee its absolute security.

## **Links to Other Sites**

The Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that we do not operate these external sites. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over it and hence assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

## **Children's Privacy**

The Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are

aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

### **Changes to The Privacy Policy**

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

### **Contact Us**

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us at [project@asachs.co.in](mailto:project@asachs.co.in) and we will attempt to address your concerns.
